| Fraud            | 2. If <b>you</b> , or anyone on <b>your</b> behalf, tries to deceive <b>us</b> by deliberately giving <b>us</b> false information or making a fraudulent claim under this <b>policy</b> then <b>we</b> will treat this <b>policy</b> as if it had never existed.  |

The General terms and conditions and the following terms and conditions all apply to this section.

---

## Special definitions for this section

### Membership dispute

A claim brought against **you** by a member of **your** organization challenging the outcome of any disciplinary procedure or decision regarding membership status.

### You/your

Also includes any director, employee, **member**, volunteer, general partner, trustee or committee member of **yours** whilst acting on **your** behalf.

---

## What is covered

### Claims against you

If during the **period of insurance**, and as a result of **your activities** on or after the **retroactive date** within the **geographical limits**, any party brings a claim against **you** for:

- a. negligence or breach of a duty of care;
- b. negligent misstatement or negligent misrepresentation;
- c. infringement of intellectual property rights including copyright, patent, trademark or moral rights or any act of passing-off;
- d. breach of confidence or misuse of any information, which is either confidential or subject to statutory restrictions on its use;
- e. dishonesty of **your** individual partners, directors, employees, trustees, committee members or self-employed freelancers directly contracted to **you** and under **your** supervision;
- f. any other civil liability unless excluded under **What is not covered** below;

**we** will indemnify **you** against the sums **you** have to pay as compensation.

**We** will also pay **defence costs** but **we** will not pay costs for any part of a claim not covered by this section.

### Avoiding a potential claim against you

If **your** client has reasonable grounds for being dissatisfied with the work **you** have done, refuses to pay for any or all of it, including amounts **you** legally owe to subcontractors at the date of the refusal, and threatens to bring a claim against **you** for more than the amount owed, it may be possible to settle the dispute with the client by **you** agreeing not to press for the disputed amount. If so, **we** will pay **you** the amount owed to **you** at that time if **we** believe that this will avoid a legitimate claim for a greater amount and **we** have given **our** prior written approval to settling in this way and for this amount.

Alternatively, if it is not possible to reach agreement with the client on this basis but **we** still believe that by not pressing for the disputed amount **you** will avoid a legitimate claim or counterclaim for a greater amount, **we** will pay the amount owed to **you** at that time. If a claim is still brought, **we** will deal with it but **our** total payment, including what **we** have already paid **you** or on **your** behalf, will not exceed the applicable limit of indemnity shown in the schedule. **You** must return the amount **we** have paid if **you** eventually recover the debt less **your** reasonable expenses.

Once **we** agree to make this payment **you** will assign to **us** such rights as **you** have in relation to the amounts owed to **you**.

**We** will not make any payment for any part of a claim not covered by this section.

### Your own losses

#### Loss of documents

If during the **period of insurance** any document, information or data of **yours** which is necessary for the performance of **your activities** is lost, damaged or destroyed while in **your** possession, **we** will pay the reasonable expenses **you** incur with **our** prior written consent in restoring or replacing it. The most **we** will pay for the total of all such expenses is the relevant amount shown in the schedule.

### What is not covered

Matters specific to your activities

- A. We will not make any payment for any claim or loss directly or indirectly due to:
1. any investment of, or direct advice on the investment of, client funds.
  2. any survey or valuation of physical property or any construction or erection work, other than heating, lighting, electrical, venting and other work normally undertaken by a building services engineer.
  3. **your** operation or administration of any pension or employee benefit scheme or trust fund, or the sale or purchase of or dealing in any stocks, shares or securities or the misuse of any information relating to them, or **your** breach of any legislation or regulation related to these activities.
  4. **your** liability for any breach of any taxation, competition, restraint of trade or anti-trust legislation or regulation.
  5. any pollution or contamination, including noise, electromagnetic fields, radiation and radio waves.

## Control of defence and payment of a claim

**You** and any **insured person** must give **us** the information and co-operation which **we** may reasonably require and take all reasonable steps to defend any **claim**. **You** and the **insured person** should not do anything which may prejudice **our** position.

**We** have the right, but not the obligation, to take control of and conduct in **your** name or the name of any **insured person**, the investigation, settlement or defence of any **claim**. If **we** think it necessary **we** will appoint an adjuster, solicitor or any other appropriate person to deal with the **claim**.

**We** shall have the right to participate fully in the defence of any **claim** including negotiation of any settlement. **We** shall have the right to defend any **claim** brought by **you**.

Where there is a dispute between **us** and **you** and/or any **insured person** over cover, proposed settlement or continuing the defence of a **claim**, **you** or **we** may request the obtainment of an opinion from a mutually agreed Queens Counsel or equivalent in a different jurisdiction. Such opinion shall be binding on **us** and **you** and any **insured person** and will establish whether policy cover exists, defence of said **claim** will continue or settlement will be agreed. The costs of such opinion shall be met by **us**.

**We** shall pay **defence costs** above any **excess** and covered by this section on an ongoing basis prior to the final resolution of any **claim**. **You** and/or any **insured person** must reimburse **us** for any **defence costs** paid where it is determined there is no entitlement under this section.

If a **claim** is made which is not wholly covered by this section and/or is also made against **you** and any other person who is not an **insured person**, **we**, **you** and the **insured person** shall use our best endeavours to agree a fair allocation between **loss** that is covered and **loss** not covered by this section.
